# Zoom Instructions

## Getting Started with ZOOM

Zoom requires a computer, Chromebook, tablet, or smartphone.

If you will be using a mobile device, download the **Zoom Cloud Meetings app** (available at the Google Play and App Store.)

If you are using a computer you will need speakers, a microphone and a camera.

**We recommend using a mobile device as these features are already located within the device.**

## Joining a ZOOM Meeting

- Join the meeting by clicking on the ZOOM link provided.
- Click Open Zoom Meetings and run ZOOM.
- If you see a message that states “Please wait for the host to start the meeting” it means the meeting has not started. Please wait.
- Click to join with or without video.
- Click to join with audio.

## ZOOM Controls

Using the icons along the bottom of the screen you can:

- Mute/Unmute your microphone - please mute your microphone during the meeting to limit background noises. You can un-mute your device to ask a question.
- Turn on/off your camera - turning your camera on allows you to be seen. All members can also see you when your camera is on.
- View participant list - this opens a list of all people logged into the meeting. This also has an option to ‘raise your hand.’ If you click to raise your hand, it will notify the host that you would like to talk.
- Chat - this opens a chat window where the host can see any questions you may have and respond to you.
